NEBC COMMUNITY

At Northeastern Baptist College, students and staff seek to develop a covenant community. This is accomplished through building a community that emulates Christ. Students and staff affirm the community covenant and the standards of conduct. For the purpose of personal growth and accountability, students are also placed into shepherd groups. For more information about shepherd groups, please see the section on spiritual life.

COMMUNITY COVENANT

Northeastern Baptist College is comprised of diversely talented individuals who are committed to the mission of the institution which is to develop *The Mind of a Scholar, The Heart of a Shepherd, and The Perseverance of a Soldier*. We believe that this goal is best lived out and practiced within a community of committed Christ followers. As men and women of Christian integrity, we believe that to grow as true Disciples of Christ we must:

- Pursue godliness and holiness in our personal lives,
- Esteem others higher than self,
- Exercise restraint when our Christian liberty may be a stumbling block to other weaker believers,
- Yield to Biblical instruction and correction,
- Exercise confession and forgiveness,
- Accept responsibility for actions and speech,
- And be teachable.

We recognize that God's call upon our lives means a daily, intentional abiding with Christ and the active pursuit of being living sacrifices before God, serving and reaching our world around us with the gospel of Christ.

STUDENT RIGHTS AND RESPONSIBILITIES

ACADEMIC AFFAIRS

ACCREDITATION

On September 16, 2014 The Vermont State Board of Education, upon the recommendation of The Vermont Higher Education Council and The Vermont Agency of Education, voted unanimously to Authorize NEBC as a Degree Granting Institution.

NEBC is taking steps necessary to build the program consistent with the standards of the New England Association of Schools and Colleges, so that we will be well positioned to seek regional accreditation in the early years of operation. "Accreditation is voluntary. It represents an institution's willingness to abide by the Standards

and to open itself regularly to examination by outside evaluators familiar with higher education. As such, accreditation is recognized as a symbol of accountability to the public." (*NEASC, FAQs*)

In compliance with federal law all credits earned at any institution of higher learning are transferable at the discretion of the receiving school.

The Diploma in Christian Ministry is a one-year program designed for men and women who desire more Biblical understanding and essential skills for ministry without seeking a degree. Those interested in earning a Diploma in Christian Ministry will take core Bible and Ministry courses that will lay the foundation for competent service within the local church. The Diploma in Christian Ministry will best serve those individuals who

lead as children and youth workers as well as Sunday school or small group teachers.

ACADEMIC INTEGRITY

Cheating is a type of deception that takes many forms, such as copying from another person's quiz or exam; the use of unauthorized notes, previous exams, books, or other materials; the submission of another's work to fulfill a course requirement; the unauthorized use of work completed for one course in another; or the reporting of material as read that was not read.

Plagiarism is a serious offense that is illegal, unethical, and immoral. Plagiarism exists when one gives the impression another person's words or ideas (written or oral) are their own. This can occur intentionally or unintentionally. Examples include the use of quotations without identification by quotation marks and citation or paraphrasing the words or ideas of another without giving credit (unless describing common knowledge). Plagiarism is not only poor academic practice, but also demonstrates a disregard for the work of others.

A student who breaks the standard of academic integrity by cheating or plagiarism will be confronted by the faculty member involved and will be reported to the Dean of Students and Dean of Academics. The result will be a "zero" grade for that particular assignment, which may result in an "F" for the course (i.e. depending on the normal weight of that particular assignment, as articulated on the syllabus, the student may fail the course). It may also lead to expulsion from the institution, or a revocation of a degree already granted by NEBC.

ATTENDANCE

Regular class attendance is expected and students are responsible for completing all assignments.

The individual instructor is responsible for his or her attendance policy. Instructors are at liberty to assign a failing grade to any student who is absent from 15% or more of the scheduled class meetings regardless of assignment and/or examination grades.

POPULI

Northeastern Baptist College utilizes the online college management program Populi. Students are expected to actively use their Populi account. It will give access to ministry practicum requirements, student & staff communications, class registration, and more. During orientation, students will learn how to log in to their personal Populi account.

ACADEMIC CATALOG

For more information related to academics, including how to add/drop a course, available courses, and course descriptions, please visit www.nebcvt.org for our current Academic Catalog.

SPIRITUAL LIFE

SHEPHERD GROUPS

Shepherd Groups provide students with both mentorship and peer support for the purpose of personal and spiritual development. NEBC faculty & staff members provide guidance to small groups of no more than 12 students, mentoring them in spiritual growth, ministry experience, and personal development. Each student's Ministry Practicum is graded by the student's Shepherd Group leader. Shepherd Groups meet once a week on Wednesdays during the Chapel hour.

CHAPEL

NEBC holds two Chapel services a week with a wide range of speakers, from international

missionaries to local pastors and faculty. The student-led worship services provides Music students the opportunity to gain valuable experience. In addition, chapel services include our “251 Club” and “Library Moment” reports and is a vital part of each student’s spiritual growth and development.

Students are expected to attend both Chapel services each week.

MINISTRY PRACTICUM

Every student will be involved in some aspect of ministry throughout their degree program. Extensive partnerships with local churches and associations will afford hands-on experience in church planting, business, pastoral ministries, education, and music.

For more information on Ministry Practicum, please see the Academic Catalogue.

TRAVEL WITH A PURPOSE

Missions, both at home and abroad, are at the heart of Northeastern Baptist College. Each year, the college provides students and faculty the opportunity to experience international and domestic missions first-hand. Students are encouraged to participate in the travel program, gain valuable on-the-field experience, and sometimes receive class credit for their study and service.

RESIDENCE LIFE

ROOM ASSIGNMENT

Student housing at Northeastern Baptist College is for single, full-time students aged 28 years or younger at the start of their first semester in residence. However, exceptions may be

considered based on housing availability and individual circumstances through an appeal to the Student Life Office. NEBC reserves the sole right to assign rooms and roommates while taking into account student requests.

Any student wishing to request a specific roommate may fill out a *Roommate Request Form* (see Student Life Director). NEBC also reserves the right to terminate a housing request or contract when in the benefit of the housing community. Jehovah Jireh Hall is a coed housing unit, however individual rooms are assigned by gender. In order to change rooms or roommates, students should see the Student Life Director.

As general policy, Student Life views the changing of rooms or roommates during the middle of a semester as a disruption to the housing community. Therefore, every effort will be made by the Student Life Office to resolve any issue existing before a request for change is granted. The final approval for room or roommate change rests with the Dean of Students.

RESIDENT LIFE STAFF

The Residence Director and Residence Assistants are responsible to oversee the well-being of campus housing. Residence Assistants oversee up to 15 students and are the first point of contact with any questions or concerns about housing. When appropriate, Residents Assistants will contact the Residence Director or the Student Life Director to resolve any questions or concerns.

EMERGENCY CONTACTS

For the safety of students living on campus, NEBC has staff available 24/7. In case of an emergency, students should first contact their RA. If their RA is not available, contact an RD.

This is **not** a replacement for calling 911. However, in any instance that 911 has been contacted, and school officials are not already on the scene, students should inform their RA, or an RD.

In the event that the RAs and RDs are not available, contact the Residence Supervisors, the Coberleys. If the Coberleys are unavailable, you will then be directed to contact the Dean of Students, Dr. Wright. Phone numbers for the 2017-2018 fall term can be found in your hard copy of the Handbook. Your Residence leaders are:

Emily Jones
RESIDENCE ASSISTANT

Robert Brouillard
RESIDENCE ASSISTANT

Christopher Shatney
RESIDENCE ASSISTANT

Missy Martin
RESIDENCE ASSISTANT

Josh & Rachel Bradbury
RESIDENCE DIRECTORS

Harvey & Sherrill Coberley
RESIDENCE SUPERVISORS

Dr. Ed Wright
DEAN OF STUDENTS

If the RA will be unavailable he/she will inform their students during their weekly meeting, and ensure each student is aware of who to call. Appropriate times to contact could include (but are not necessarily limited to) needing to reach the RA/RD on duty due to being locked out of one's room, an interpersonal housing situation that needs to be dealt with quickly, reporting an accident or incident, or a pressing maintenance issue.

ROOM STANDARDS AND CHECKS

NEBC housing residences must maintain a standard of cleanliness—especially in common areas. Common areas are defined as areas shared by all residence members (i.e. the kitchen, dining room, bathroom, etc.). It is the responsibility of students living in housing to keep the common areas clean and to respect the property of the school and their roommates.

Therefore, upon move-in, each student is responsible to sign a *Residence Condition and Inventory Report*. These documents ensure your agreement to leave the room and all its furnishings in the same condition at move-out as it was at move-in. Furthermore, it signifies that you agree with all housing guidelines. **Upon leaving residences for semester breaks, students are required to check-out with the Residence Assistant** or with the Residence Director to ensure rooms meet cleanliness standards and to document any damages that have occurred. Failure to check out may result in disciplinary actions or fees.

NEBC does not assume responsibility nor does it provide insurance or any other financial protection for the personal property of students in housing. *It is recommended that students secure their own personal insurance to protect against the loss, damage, or theft of their personal property.* Non-compliance with room standards may result in fines or disciplinary action. Please note that dorm rooms with hardwood floors cannot be traditionally mopped. A system that uses minimal water, like a Swiffer brand mop, must be used.

HOUSING CHECKOUT PROCEDURE

In order to prevent further charges from accruing on your account after you vacate a unit, you personally must check out with a Residence Assistant. During Thanksgiving Break, Winter

Break, and Spring break you will receive a room inspection by your RA. Students leaving for Summer Break must complete a full check out procedure and are required to move out during scheduled Spring move out days.

To check out for summer break, rooms must be vacated and emptied before inspection. The following procedures MUST be followed:

1. Students must sign up for a check out time with their RA. RAs will post their check out availability two weeks prior to the end of the semester.

2. Rooms must be empty and clean to check out.

This includes:

- Removal of all decorations from walls, furnishings, bathroom items, etc.
- Empty, dust, and clean drawers.
- Clean room and bathroom as required for room checks.
- Removal off all personal property from the rooms, including putting trash in designated cans.

3. Student must be ready at designated check out time. Student will be expected to:

- Have room in same condition as move-in, per inventory report form.
- Have room key to turn in to RA
- Please note that RAs will not accept post office box keys. ***These must be turned into the President's Office or a fee will be assessed*** (see "Post Office Boxes" for more information).

Failure to follow these steps and complete a move out inspection with your RA *during your*

scheduled move out time may result in a **\$50 fine**, in addition to any other housing fines (damage, room key replacement, etc.) Please note NEBC does not provide summer storage.

Residents changing status to Continuous Enrollment in the next Academic Semester or students who withdraw from classes (at any time) must vacate the Residence Hall by the following Sunday at 6 pm. *Please note that this Checkout Procedure only covers housing. Students intending to withdraw from enrollment or change status to continuous enrollment must complete the procedures outlined in the Academic Catalogue.*

DAMAGES

Students are liable for any damage to NEBC property. All students involved in the damage (or students that share space with the damaged item, i.e. roommates) will incur liability for the damage unless a particular student or students assume responsibility. Any damages that may occur must be immediately reported (on a Maintenance Request form) to the Residence Assistant or the Residence Director to ensure repair. Maintenance Request forms can be found in the common areas.

KEYS

Due to the safety of students and their property, NEBC student housing is to remain locked at all times. Outside doors are never to be propped open. Therefore, students are required to keep track of their keys at all times and are **not** allowed to let anyone borrow or copy their keys. If a student becomes locked out of their housing, they must contact the Residence Director. If a student loses their key, they must request a new one from their Residence Director. The cost for replacement keys is \$30 for the first key needing to be replaced and \$50 for each subsequent key. Key codes for the laundry room and Common areas are not to be shared.

RESIDENCE CHECKS

Once a month students will be responsible to pass a room cleanliness inspection. Students will be informed of the date and time of residence check at least 48 hours in advance. If the room is not up to residence check standard, student(s) will have 24 hours to make the room in compliance with standard. If the room remains out of compliance, student(s) will receive a written warning and have an additional 24 hours to comply with standards. If room still remains out of compliance, a \$50 fine will be issued to each student, and a final 24 hours given to comply with standards. If room continues to be out of compliance, student will meet with the Dean of Students. *Please note that any student with three written warnings for failed room checks in one semester will not be eligible for student housing the following term.* For more information about standards for cleanliness, please contact your Residence Assistant.

Outside of mandatory periodic residence checks, NEBC also reserves the right to have authorized personnel enter student housing for the purposes of inspections, repairs, or in cases where there may be reason to believe that either the health or safety of students might be compromised. A staff member of NEBC may also search housing, while accompanied by a staff member from Student Life, whenever there is reasonable cause to believe that any NEBC regulations are being violated. The Student Life Team will also perform one surprise room check per semester.

ROOM GUIDELINES

Walls

Students are not allowed to make any holes in their walls larger than the hole created by a thumbtack. *“Command-style” hooks are no longer permitted-they have caused serious damages to the walls.* When in doubt of which materials are appropriate, please ask the Resident Director.

Furnishings

Each room is provided with two beds (often bunk beds), one chest of drawers, two desks, and two chairs. Furniture and other furnishings must not be dismantled, removed from housing, nor moved from room to room within housing without permission and oversight from the Residence Director. No oversized furniture (sofas, futons, love seats, etc.) may be brought into the residence without approval from the Director of Student Life. Small side tables, lounge chairs (bean bag chair, bungee chair, etc.), bookcases, and other small storage furniture may be brought in as space allows.

Decor

Decorations which are not consistent with the spirit of NEBC guidelines or values may not be displayed. In accordance with the NEBC Code of Conduct, alcoholic beverages, tobacco, or illegal drugs are never allowed in housing. Furthermore, housing cannot be decorated with any paraphernalia related to these items (i.e., smoking advertisements, alcoholic beverage containers, etc.). In addition, decorations made from dried plant matter may not be used (i.e. Christmas trees, evergreen wreaths, etc.) due to their flammable nature. The only type of candles allowed in housing are candles in their original glass containers.

Flammable and Hazardous Materials

Use and storage of flammable materials/liquids in and around residential facilities is strictly prohibited. Fire hazards such as newspaper stacks, excessive trash, excessive amounts of books, etc. are not permitted. Disposal of any hazardous materials, including motor oil, is also prohibited. Any furniture moved or rearranged in housing must not block any fire exit.

Hallways

Rooms with hallways must remain free of personal belongings in case of fire (per fire codes). The only permitted items on the hallway floor are a pair of shoes. Failure to comply may result in a failed room inspection and fine. Hallway decorations are allowed, but must not obstruct free passage through the hallway.

Appliances

The only kitchen appliances allowed in student rooms are a mini-fridge, microwave, and coffee maker/hot water kettle (including Keurig-type units). Only one of each type of appliance is allowed per room. No other appliances may be used in dorm rooms, although items can be used in common area kitchen (such as crock pots, rice cookers, hot plates, toasters, etc.)

Item Removal

NEBC reserves the right to remove any item that is deemed in poor taste or in non-compliance with NEBC community guidelines.

Grill use

Personal gas and charcoal grills (of any size) are not permitted in student housing.

Firearms and Fireworks

Firearms of any kind are not permitted in NEBC buildings. Fireworks and other explosives are included in this prohibition. Certain firearms *may* be permitted in vehicles on NEBC property with written approval from the NEBC administration. For more information, students should contact Dave King, VP of Administration

Paper Goods

Please note that toilet paper is provided to students: see your RA to replenish your supply.

TRASH/RECYCLING

All waste is to be disposed of appropriately (keeping in mind recyclables for Vermont State) in designated containers. Trash containers are located near room 120 near the common areas.

Trash MUST be bagged before placing in container. Dorm room trash is never to be disposed of in Common Area trash cans.

PETS

Pets of any kind are not allowed in NEBC housing.

COMMUNITY GUIDELINES

COMMON AREAS

NEBC has designated common areas at student housing for student interaction. These areas include the community kitchen, lounge, and study room. Common areas are open from 7am-11pm. These areas are accessed by a keypad lock system and doors must be kept locked at all times. Please note that *the door must be manually locked after entering*.

QUIET HOURS

NEBC housing is designed to be productive for all members of housing's needs: spiritual, physical, and academic. Therefore, all students living in housing are expected to maintain appropriate standards for noise control while living in housing. This includes in-room, common areas, and outdoor areas. Students will be asked to return to their rooms if noise is excessive in common and outdoor areas. Students may receive disciplinary action as well.

Students on NEBC property must be in their own dorm room at 11 pm. Students returning to campus from work, movies, etc. after 11 pm must proceed to their room immediately after arriving on campus. There is to be no loitering on campus after 11 pm (including parking areas).

KITCHEN FACILITIES

Kitchen use is a privilege and students must follow posted guidelines. All students must label their own dishes, and limit items to two of each type (2 bowls, 2 plates, etc.) No dishes may be left in the sink or drying rack. They must be washed, dried, and put away. This is the student's responsibility, and failure to comply will result in written warnings and confiscation of dishes.

Additional kitchen appliances, such as crockpots, rice cookers, etc., must be stored on your individual storage shelf, not on countertops. Prohibited kitchen appliances include any item with an open flame or deep-fry pots. Other items may be included at the discretion of the Residence Director.

Food stored in the communal refrigerator must be labeled. No item should be stored in this fridge for longer than 48 hours.

LAUNDRY FACILITIES

Residence students at Northeastern Baptist College have access to laundry facilities at the dorms. However, students are responsible to provide their own biodegradable laundry detergent, bleach, fabric softener, etc., which must be stored in the student's room. The provided washers & dryers are shared among all living at the dorms and are privilege; therefore, you must follow the laundry guidelines posted in the laundry room. Not following the guidelines may lead to revocation of laundry privileges. Laundry facilities are accessed via a keypad lock system.

RESIDENCE MEETINGS

Students living in housing will have once-a-week **mandatory** meetings with their Residence Assistant. These meetings will inform students about any necessary housing news and include a time of Bible devotion and encouragement.

VISITATION HOURS

The purpose of visitation hours is to foster community. It is expected that during visitation hours students will continue to conduct themselves in a manner honoring to God and the NEBC community. NEBC students in housing are responsible for the actions of those they invite into NEBC housing.

Members of the opposite sex are only allowed in common areas of the residence, not in student rooms. Furthermore, any excessive or offensive displays of affection will not be acceptable. Any visitor may not enter housing outside of designated visiting hours, unless they are an approved overnight guest. Any visitor may be asked to leave housing by NEBC staff whenever there is reasonable cause to believe that any NEBC regulations are being violated.

Visitation hours in dormitory rooms are as follows: Monday – Thursday from 1pm-8pm, Friday and Saturday from 11am-10pm, and Sunday from 3pm-10pm. Visitation hours in common areas are allowed whenever common areas are open.

OVERNIGHT GUEST POLICY

Only guests of the same sex may stay overnight in NEBC housing with approval by a Residence Director. The student requesting the overnight guest must fill out an *Overnight Guest Form*. This form must be given to the Residence Director at least 24 hours in advance of the visitor's arrival.

Guests may stay overnight for 3 nights a month. A \$10 fee is charged per night, per guest, for any night after the 3rd night, not to exceed 6 nights. Any overnight guest must be in compliance with all NEBC student guidelines. The guest's host is responsible for the guest's actions. Any guest may be asked to leave by NEBC staff whenever there is reasonable cause to believe that any NEBC

regulations are being violated or it is in the interest of the NEBC community.

STUDENT LIFE

PARKING

At the main campus, student parking is located on the far side of the tennis courts (closest to Kocher Drive).

It is the goal to provide all housing students with parking at Jehovah Jireh Hall, however there are limited spaces available. NEBC will assign preferred parking at JJ Hall in this manner:

- First assignments are to upperclassman females
- Second assignments are to lowerclassman females
- Third assignments are to upperclassman males
- Fourth assignments are to lowerclassman males

Parking assignments begin in August. Failure to return appropriate forms by date indicated on Parking Contract will move students to the end of the assignment list. Additional parking spots will be assigned at Hogue Library.

Please be aware that during the winter snow season, cars may need to be moved to allow for snow removal. During the winter months, if you will be leaving your car parked on campus during the break, you must leave keys with the Residence Director. You will also need to leave keys if you will not be available to move your car during a snowstorm.

CAR REPAIRS

No oil changes, other car maintenance or repairs are permitted on NEBC grounds without permission from the Facilities Manager. Any vehicle fluid leaks should be cleaned up and, until leak is fixed, a mat or sheet of cardboard should be put under the vehicle to absorb the spill. Students will be billed for any cleanup expenses incurred.

STUDENT GUESTS

All guests of NEBC students at the Main Campus must enter via the Grace Christian School main entrance, where they must (1) sign in at the lobby desk, (2) Obtain a guest pass, and (3) wear the guest pass visibly for the duration of their visit. Guests must also check out at the Grace Christian School main entrance. Guests include spouses, friends, family, guests, etc.

Children and siblings of NEBC students are not allowed on campus unless under direct supervision of the NEBC parent/sibling: the child/sibling must be in the same room as the NEBC parent/sibling at all times.

PAYMENTS

Bill payments are due the first of each month. For fall semester, those months are August, September, October and November for New Students and September, October, November, and December for returning students. For the spring semester, those months are January, February, March and April for New Students and February, March, April and May for returning students. If you would like to change the date of the month payments are due, schedule an appointment with the Business Office to personalize your due date. These changes need to be made by September 1 for the fall semester and February 1 for the spring semester.

NEBC REFUND POLICY

Failure to attend class does not automatically generate a withdrawal and does not entitle the student to a refund of tuition. Students must contact the Registrar to begin the withdrawal process before a refund will be considered. Students who are administratively withdrawn for poor attendance will not receive any refunds. Students who are dismissed by NEBC due to academic or disciplinary reasons are not eligible for a refund.

When the Registrar notifies the Business Office of a student withdrawal, the Business Office will complete a Financial Withdrawal Statement for the student. This statement will calculate the student's financial situation and determine the amount of refund or the amount the student owes NEBC. Refunds are determined by the official date of withdrawal. Tuition and Room are prorated based on the designated Drop date for the semester. The refund schedule is provided below. Students who are enrolled in the Work Study Scholarship program must be aware that they will be charged for tuition costs that are not covered by hours worked. If a work study student withdraws after the Drop date, the Business Office will calculate the amount of hours worked, subtract them from the tuition cost and bill the students for the remaining amount. This will be documented in the Financial Withdrawal Statement. A withdrawal after the Drop date may result in a balance owed to NEBC.

If the student is eligible for a refund based on the Financial Withdrawal Statement, the student must fill out a Refund Request Form. Refund Request Forms are available in the Business Office. Refunds will only be issued to the student. Refunds will be processed within 30 business days of the request. When the refund is processed, the check will be mailed to the permanent home address we have on file unless instructed to do

otherwise on the Refund Request Form. NEBC retains the right to use any credit balance from tuition and room to pay any other bills the student may have with NEBC. This means that your refund money will be used to pay any fees, book charges, etc. before processing the refund.

If the student owes the school money after withdrawal, the student must contact the Business Office and work out a payment plan. The Business Office will have a Payment Plan Agreement Form for the student to sign. Students with an outstanding balance will not be able to re-enroll until the balance is paid off. If you are looking to transfer schools, transcripts will not be released until the balance is paid in full.

The Enrollment Fee is non-refundable. All other fees will be refunded 100% before classes begin, 75% after classes begin but before the Drop date. After the Drop date, fees are not refundable.

CAMPUS ACTIVITIES

Students will have the opportunity to take advantage of various Northeastern Baptist College sponsored campus activities. Furthermore, if students want to host a campus activity or event, they may apply to Student Government for approval and assistance.

STUDENT GOVERNMENT

Student Government serves multiple purposes: The Student Body President acts both as an official student ambassador for the college, as well as a representative of the students to the administration. The Student Body President also presides over student government for the purpose of overseeing student organizations, planning special events, and other duties as necessary. Presidential elections will be held in the spring. To be eligible to run for Student Body President, the student must hold sophomore class status or higher (i.e. must be in the process of completing at least 30 credits), have a cumulative GPA of 3.0, and receive a faculty recommendation. The Student Body President will then appoint a cabinet consisting of a Director of Administration, Director of Finance, Director of Communications, Director of Student Events, and a Director of Student Clubs/Orgs.

STUDENT ORGANIZATIONS

Student organizations are at the heart of student life at Northeastern Baptist College. Students may gather to form a school sponsored student organization in accordance with the guidelines located in the Student Life Office.

INTRAMURAL SPORTS

Various opportunities for students to participate in intramural sports competitions and activities are planned throughout the year.

JOB AND PRACTICUM PLACEMENT

In addition to the guidance of Shepherd Group leaders, students can receive information on job preparation from the Student Life Office. The Student Life Office maintains a bulletin board with updated job and ministry practicum openings in the community, as well as holds various seminars and workshops for vocational readiness (i.e. resume writing, interviewing skills, etc.).

WORK STUDY SUPERVISOR

Students participating in the NEBC Work study Scholarship Program will receive supervision from their Work Study supervisor and mentorship from the Work Study Director. As part of the program, students will receive orientation and job specific training. The Work Study Director will work with students in job placement, balancing studies and work, and will ensure each student is given the opportunity to succeed in meeting both their work and educational goals. See the Academic Catalogue for more information.

WRITING CENTER

The Writing Center exists to carry out and support NEBC's Mission to train students to have the *Mind of a Scholar* by cultivating responsible and effective writers and by promoting critical thinking in all communication. The Writing Center is open to assist with all types and levels of writing and provides opportunity for objective feedback, individual guidance, and perceptive discourse to NEBC students, staff, and faculty.

Appointments can be made online at www.nebcvt.org/wc, but walk-ins can be accommodated depending on the Center's schedule. The Writing Center is located in the Student Life office on the 3rd floor and at Hogue Library for evening hours during the school year.

PERSONAL COUNSELING

Shepherd Groups provide students with both mentorship and peer support with the purpose of personal and spiritual development. The Student Life Office and Residence Life are also available to provide students with encouragement and support.

The Student Life Office has the resources to refer a student to professional counseling services in the local community.

SCHOOL CLOSINGS & DELAYS

Vermont is known for its snowy winters. Northeastern Baptist College will delay or cancel classes during inclement weather. Students should be aware of potential delays/closings. Northeastern Baptist College will send out an emergency notification via Populi to alert of closings and delays. You must sign up for this feature and can choose alerts via text or email. Albany area television stations will also be alerted of closings & delays: you can also visit them online (www.news10.com, www.wnty.com, or www.cbs6albany.com). There are times when day classes will be open, and evening classes cancelled, or vice versa. Please be aware of this.

TRANSPORTATION

Northeastern Baptist College does not provide student transportation. Our campus is located in three separate locations: Main Campus, Hogue Library, and Jehovah Jireh student housing. Students are encouraged to carpool with those who have cars, walk, bike, or utilize the Green Mountain Express bus transportation system (free for students). Bus schedules are available in the Student Life Office.

DRESS CODE

At Northeastern Baptist College, we seek to maintain our Christian witness within our community for the purpose of making an impact in the northeast and the world. While we have liberty in Christ, our community should be one which promotes the growth of our brothers and sisters in all areas of life. This commitment to the community of believers and this college should reflect neatness, cleanliness, and modesty in dress. Please be advised that while on campus, student attire is a direct reflection of the institution. Therefore, specific dress guidelines may be instituted for special campus events, guests, speakers, etc. Furthermore, work study students may have a dress code at the discretion of their supervising department.

SOCIAL MEDIA

Northeastern Baptist College encourages our students to promote and recommend our institution through various social media outlets. However, please be advised that your conduct on your personal social media page is a reflection of NEBC as an institution. Therefore, you are responsible for anything you post on social media.

FOOD SERVICE

Northeastern Baptist College does not offer a meal plan program. However, students living on campus do have access to kitchens to prepare their own meals. Bennington has a number of grocery stores and restaurants—some restaurants even give a student discount. This enables the student to budget their own food expenses. Staff and students are also welcome to buy lunches from the Grace Christian School Cafeteria when their school is in session. Students and staff should sign up for GCS lunches in the Student Life Office.

The Hebrews Café at the Hogue Library provides snacks, coffee and other light fare at a reasonable cost during evening hours.

POST OFFICE BOXES

Each degree-seeking student will be assigned a post office box in the mailroom on the 4th floor of the Main Campus. Each student is responsible to check their mail regularly. Students will pick up their assigned key from the President's Office at the start of the semester and will be responsible to **return it to the President's Office** at the completion of the Academic year or other term agreed upon by the President's Office. If a PO Box key is lost, the student is responsible to report it immediately to the President's Office and will be charged a fee of \$30 for key replacement. *Please note that RAs will not accept any mailbox keys.*

MAIL PROCEDURES

To receive your mail, including books and packages, please observe the following rules.

All student mail should be addressed as follows:

If you are receiving a package that will be delivered via UPS or FED EX (as from Amazon or from home), you must include **the physical address** of the main campus. If you still have questions on how to properly label your packages and mail, please see the Student Life Director, Mrs. Sharon McCaskill.

POLICIES AND PROCEDURES

DRUGS, ALCOHOL, AND TOBACCO

According to the Student's Standards of Conduct, students will not be permitted to use or possess drugs, alcohol, or tobacco while enrolled at Northeastern Baptist College. Please note that this includes e-cigarettes, "vapors", and any other products emulating drugs, alcohol, or tobacco. Any student found in violation of this standard may be subject to discipline according to NEBC's discipline guidelines. Furthermore, if a student is found in violation of Vermont State law, they may be subject to legal action as well.

The Student Life Office contains information concerning drug, alcohol, and tobacco abuse effects: social, spiritual, and physical. Furthermore, both student life and shepherd leaders have access to resources for substance abuse support and rehabilitation groups.

SEXUAL HARASSMENT/ASSAULT

Sexual harassment or assault will not be tolerated at Northeastern Baptist College. In addition, it is prohibited by the State of Vermont:

"Sexual harassment" is a form of sex discrimination and means unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when: (A) submission to that

conduct is made either explicitly or implicitly a term or condition of employment; or (B) submission to or rejection of such conduct by an individual is used as a component of the basis for employment decisions affecting that individual; or (C) the conduct has the purpose or effect of substantially interfering with an individual's work performance or creating an intimidating, hostile or offensive work environment. (21 V.S.A. §495d (13))

While the Vermont law specifically speaks to sexual harassment in the workplace, at NEBC, we extend this to encompass harassment between students or between staff and students as well.

EQUAL OPPORTUNITY

Northeastern Baptist College admits students of any race, color, national and ethnic origin to all rights, privileges, programs and activities generally accorded or made available to students at the College. The institution does not discriminate on the basis of race, color, national and ethnic origin, physical handicap, or sex in the administration of its educational policies, admission policies, employment policies, student activities, or scholarship programs.

STUDENTS WITH DISABILITIES

Northeastern Baptist College complies with the Americans with Disabilities Act (1990) and Section 504 of the Rehabilitation Act (1973) and therefore seeks to provide access to students with physical, intellectual, and/or learning disabilities. It is the student's responsibility to voluntarily identify himself/herself as disabled to the Director of Student Life in order to receive accommodations. Upon presentation of acceptable documentation, the Director will then address the needs of each student on an individual basis. In some cases, Northeastern Baptist College may request additional medical or disability information to fully assess the circumstances. Documentation of

disability is kept confidential and the Director of Student Life will maintain records related to student disability. Faculty should refer students with any accommodation requests to the Director of Student Life.

In post-secondary settings, the student is responsible to request special accommodation if desired, but a faculty member can make a student comfortable by having a statement on each syllabus that tells students that if they have a disability and may need accommodations they will need to meet with the Director of Student Life before accommodations may be implemented. The Director of Student Life will work directly with the student and the student's faculty (via memorandum or email) to coordinate classroom and coursework accommodations. Instructors shall accommodate all students with a disability as specified by the Director of Student Support Services unless such accommodation compromises the essential elements of the course, program, service, job, activity, or facility or creates an undue hardship as legally defined. Instructors should present any concerns to the Director of Student Life.

HAZING

Hazing will not be tolerated at NEBC. In addition, Vermont State Law prohibits hazing:

"Hazing" means any act committed by a person, whether individually or in concert with others, against a student in connection with pledging, being initiated into, affiliating with, holding office in, or maintaining membership in any organization which is affiliated with an educational institution; and which is intended to have the effect of, or should reasonably be expected to have the effect of, humiliating, intimidating or demeaning the student or endangering the mental or physical health of a student. Hazing also includes soliciting, directing,

aiding, or otherwise participating actively or passively in the above acts. Hazing may occur on or off the campus of an educational institution.

Any student found guilty of hazing will be subject to disciplinary action up to, or possibly including, college suspension or criminal action.

STUDENT GRIEVANCES

In the event a student has a concern or grievance that he/she feels warrants authoritative action, he/she is to speak to his/her Shepherd Group Leader. If the concern or grievance is in breach of Northeastern Baptist College's core values, articles of faith, code of conduct, or a violation of the law, the Shepherd Group leader is responsible to take said grievance to the Dean of Students, who shall formally document the event and bring it to the President of the college. If the Shepherd Group Leader is involved in said grievance or the student is not comfortable bringing the grievance before the Shepherd Group Leader, then the student is to go directly to the VP/Dean of Students. If the documented grievance or concern is believed to be a violation of the law, the President, or his representative, must take immediate action by contacting local authorities.

SEX OFFENDER REGISTRY

The current Vermont State Sex Offender Registry can be found at this link: http://www.communitynotification.com/cap_main.php?office=55275.

DISCIPLINE

CONFLICT RESOLUTION POLICY

From time to time a student may encounter a problem in their relationship with Northeastern Baptist College. When such an event occurs, whether concerning finances, academic issues, or other matters, the student should follow the procedure outlined below. All such matters should be referred to the appropriate individual. The Dean of Students is the designated institutional person for giving direction and handling conflicts. The following guidelines should be followed for resolving disputes.

1. Each concern should be expressed verbally as well as in writing to the staff, faculty or administrative person who is directly responsible for managing the institutional area.
 - Academic Administration – Dr. Lee Williams
 - Accounts – David King

- Registrar and Academic Records – Becky McDill
 - Student & Residence Life – Sharon McCaskill
2. If the student does not believe that the matter has been resolved appropriately, then the student may express the concern verbally and in writing to the Dean of Students, Dr. Ed Wright.
 3. If the student does not believe the matter has been appropriately resolved, an appeal may be made in writing and verbally to the President, Mark Ballard.

STUDENT DISCIPLINE

Discipline is an essential part of the development of Christian character. It serves to motivate self-control and determination, and it is also significant as a tool for shaping and molding us into the image of Christ.

Student discipline at Northeastern Baptist College is primarily preventive and serves first to encourage desirable choices, attitudes, and behaviors. Our disciplinary approach is redemptive in nature and ultimately seeks the restoration and reconciliation of students in violation of conduct standards. Punitive measures are secondary in purpose. Student discipline is therefore a derived practice embedded in the mission statement of the College as it seeks to “prepare” students for the high moral and spiritual character with *the Mind of a Scholar, the Heart of a Shepherd, and the Perseverance of a Soldier*. These qualities are required for those in ministry and assist in the maturation and long-term growth of an individual, and serves to insure a safe and healthy campus.

The community, as a whole, shares responsibility for disciplinary matters. In a very real sense, we are to be our “brother’s keeper.” Persons who are known to be involved in inappropriate behavior should first be approached, in a spirit of love and humility, by their peers and confronted and counseled concerning the offense (Matthew 18:15-17, James 5:20). Should such an approach prove unsatisfactory, then the matter must be brought before the proper College officials.

JUDICIAL PROCEDURES

INQUIRY

The Dean of Students is responsible for the supervision of student conduct and is charged with investigating, processing, and reviewing all alleged violations of College standards and complaints. The Student Development Committee (SDC) serves as the institutional assembly for student judicial matters. This committee will be chaired by the Dean of Students and will include the Director of Student Life, and the student’s Shepherd. The Dean of Students receives all referrals concerning matters that may become disciplinary cases. A confidential investigation is then conducted to determine if an offense has actually occurred. This preliminary inquiry may include interviews with all parties involved, both on and off campus.

The Dean of Students may elect to handle the case personally through an informal hearing or may, at his discretion, refer the case to the Student Development Committee (SDC) for a formal hearing. A judicial hearing allows for the clarification of charges, evidence, witnesses and defense. A ruling is formed based on both the preliminary investigations and case evidence presented through the hearing. An official ruling may be postponed, following the hearing, if the case merits further investigation. All cases involving a potential disciplinary dismissal will be

referred to the Committee. In both informal and formal hearings all students will be granted due process.

DUE PROCESS

Student rights extend to due process in all disciplinary matters. Students have the right to be properly notified of the suspected offense(s) being investigated and to be properly informed of all judicial proceedings. Students charged with an offense have the right to a fair hearing and to present witnesses and evidence in their defense. Due process also dictates that all students found to be in violation of College standards will receive written notification of disciplinary sanctions and rulings.

APPEAL

Students have right of appeal to the President and his Cabinet.

Appeals must be submitted to the President's Office within (10) days of notification from the Dean of Students concerning the original decision. The President and his Cabinet will prayerfully consider the appeal, and give the student the opportunity to make a personal appeal in person and/or in writing. Within 10 days of receiving the appeal, a decision will be rendered by the President's Cabinet. This decision is final.

RECORDS

The Student Life Office maintains all student conduct/deportment records. Such records are property of the college and not open to public access. Notices of disciplinary sanctions are copied and filed within students' academic records.

SANCTIONS

Conditions and terms of sanctions will be determined on a case-by-case basis. Some

disciplinary conditions may include restitution, reconciliation, counseling, campus service, fines, withholding school records, and avoidance agreements.

Disciplinary sanctions are issued under the following guidelines:

- All sanctions issued will be in proportion to the nature and degree of the infraction.
- All sanctions issued will be administered impartially.
- All sanctions issued will be determined, decided, and administered in a spirit of Christian concern with compassion for the offender.
- All sanctions are redemptive toward the offender and designed to produce a positive campus environment.

All students on disciplinary status are held responsible to fulfill any financial obligations to the institution. Students who must withdraw from classes during the semester due to campus disciplinary actions are subject to standard school refund policies.

Conduct Warning

A Conduct Warning is a written notice given to the student, and filed in his or her academic record, specifying the unacceptable conduct and indicating consequences related to further misconduct. Failure to comply with conditions may incur further disciplinary action.

Disciplinary Probation

Disciplinary Probation is a specified time period during which the student's attitude and conduct will be evaluated. Special conditions will be established for successful completion of the probationary period. Formal notation of the

probation is filed in the student's academic record. Students on probation forfeit all institutionally funded financial aid and may not hold any position of student leadership. In addition, students on probation may be prohibited from some College-sponsored co-curricular activities. Probation for more than two (2) semesters will normally be grounds for suspension from the College.

Disciplinary Suspension

Disciplinary Suspension is a specific time period during which the student is suspended from active enrollment and participation in the College and its co-curricular events. Formal notice of suspension is filed in the student's academic record. Specific conditions are placed on readmission. Consideration for readmission is based on successful completion of all suspension conditions and upon approval from the Dean of Students. Disciplinary suspension may be imposed during or at the end of a semester and readmission may involve a period of disciplinary probation

Dismissal

Dismissal constitutes official termination of a student's relationship with NEBC. Readmission is normally not granted. Formal notice of dismissal is filed in the student's academic record.

SEXUAL MISCONDUCT POLICY

In keeping with the Standards of Conduct and its commitment to Christian purity, NEBC prohibits sexual relations outside of the confines of biblical marriage (on or off campus) in all members of the NEBC community. Furthermore, NEBC prohibits any behavior which promotes such relations including (but not limited to) nudity, cohabitation, laying in bed together, and other intimate forms of touching. Any reported or observed physical expressions of, written descriptions about, and/or images suggesting sexual misconduct, even when consensual, is subject to discipline under the NEBC discipline guidelines. Discipline in this area will seek to be redemptive and consequences will depend on the facts and circumstances of each case.
