

Practical Experience

Alex is currently a sophomore at NEBC. He decided to follow a general course of study in Business Administration to give him the flexibility of choosing a variety of upper level concentration courses.

As a freshman, Alex was trained as a barista and began working at NEBC's **Hebrews Café**. This year Alex serves as the Café's head barista. In this leadership role, Alex is responsible for scheduling, training, and day-to-day onsite management.

*“What I enjoy most about working at the **Hebrews Café** is being able to directly apply the new things I’m learning in class to the café business environment. I’ve also built friendships with both my fellow baristas and other students who come to the café.”*
