COLLEGE PROFILE

HISTORY

The vision for Northeastern Baptist College was planted in the heart of Mark H. Ballard as a teenager living in Pueblo, Colorado. His family's faith, his academic training, and his church planting and pastoral experiences combined to form a man of faith, vision, and unyielding determination to see God's plan take form.

In 1998, Ballard moved to New England to plant Christian Fellowship Baptist Church, in Londonderry, New Hampshire. Beyond the church's establishment and success, Ballard continued to wrestle with God concerning the call to start a college. On May 31, 2010, he resigned as pastor and refocused his energies toward establishing a Baptist college in New England.

The Ballard family, along with a small team of volunteers, willingly and sacrificially determined together to see God's plan fulfilled. Starting with only \$47, the team began to providentially progress. Within three years, Northeastern Baptist College was established and students began their college coursework.

The college's board of trustees inaugurated Ballard as the first President of Northeastern Baptist College. as the audience gathered in the college's newly constructed Chapel. on October 28, 2013.

Despite its small beginnings, Northeastern Baptist College has become a premier Christian college in southern Vermont and New England. Established by God's provision and Dr. Ballard's faithful obedience, Northeastern Baptist College joyously celebrated its first annual commencement exercises on May 7, 2016.

ARTICLES OF FAITH

STATEMENT OF FAITH

Central to our educational process at Northeastern Baptist College is our commitment to the Baptist Faith and Message 2000, which clarifies important doctrinal stances that we intend to uphold. Therefore, every student and every faculty member is expected to uphold their commitment to the BFM during their time at NEBC and to sign the Statement of Faith as a proclamation of their commitment. This signed document will be held in records along with all other pertinent faculty and student documentation.

The Baptist Faith and Message 2000

I. The Scriptures

The Holy Bible was written by men who were divinely influenced. The Holy Bible is God's explaining Himself to man. It is a perfect treasure of divine teaching. God is the author. Salvation is its purpose. Truth, without any mistakes, is its substance. For these reasons, all Scripture is completely true. All Scripture is completely correct. It tells the main beliefs that God uses to judge us. It is the true center of Christianity. It will remain the center of Christianity until the end of the world. It is the most excellent ideal. It is with this ideal that all human behavior, all statements of belief, and all religious opinions should be tested. All Scripture is proof of the Christ. Christ is the center of divine revelation.

II. God

There is one and only one living and true God. He is an intelligent, spiritual, and personal Being. He is the Creator, Redeemer, Preserver, and Ruler of the universe. God is never-ending in purity. God is perfect. God is all powerful. God is all knowing. He knows about all things in the past, present, and future. He knows about all of

the future decisions that His free created beings will make. To Him we owe the highest love, respect, and obedience. The never-ending God shows Himself to us as Father, Son, and Holy Spirit. These three have separate personal characteristics. There is no difference in their nature, essence, or being.

A. God the Father

God as Father rules with kind care over His universe, His creatures, and human history according to the purposes of His grace. He is all powerful. He is all knowing. He is all loving. He is all wise. God is Father to people who become children of God through faith in Jesus Christ. He is fatherly in His attitude toward all men.

B. God the Son

Christ is the never-ending Son of God. In His life as Jesus Christ, He was brought into being by the Holy Spirit and born of the virgin Mary. Jesus completely showed and did the will of God. He became a human being with all the stress and needs of human beings. He identified completely with humans. Even though He was human, He had no sin. He respected the divine law. He personally obeyed God. When He died for others on the cross, He made a way for the salvation of men from sin. He was raised from the dead with a glorified body. He appeared to His disciples. They knew that He was the person who was with them before His death on the cross. He went up into heaven. He is now honored at the right hand of God. He is the One Mediator. He is completely God. He is completely man. In Him are God and man brought together. He will return in power and majesty to judge the world. When He returns, He will complete His work of salvation. He now lives in all believers as the living and always present Lord.

C. God the Holy Spirit

The Holy Spirit is the Spirit of God. The Holy Spirit is completely divine. He influenced holy men of Bible times to write the Scriptures. By explanation He allows men to understand truth. He honors Christ. He shows men their sin. He shows men the worthiness of Christ. He shows men their punishment. He calls men to the Savior. He is the source of rebirth. At the moment of rebirth, He takes every believer into the Body of Christ. He grows believers into mature Christians. He comforts believers. He gives the spiritual gifts to believers. With these gifts, believers can serve God through His church. He keeps the believer safe until the day of the last salvation. His presence in the Christian is the promise that God will make the believer completely like Christ. He explains and gives power to the believer and to the church in worship, evangelism, and service.

III. Man

Man is the special creation of God. Man is made in God's likeness. God created them as male and female. They are the greatest work of His creation. Being made male or female by God is a part of the goodness of God's creation. In the beginning man was innocent of sin. He was given the gift of freedom of choice by his Creator. By his free choice man sinned against God. Man brought sin into all people in the entire world. Through the temptation of Satan, man disobeyed the command of God. He lost his original innocence. Now all men inherit a life and a background willing to sin. As a result, as soon as they are able to make right decisions and actions, they become sinners. They are guilty of sin. Only the kindness of God can bring man into His holy fellowship. Only the kindness of God can let man complete the creative purpose of God. The godliness of all people is obvious, because God made man in His own likeness. The godliness of all people is obvious, because Christ died for all men. Now every person of every race should receive respect and Christian love.

IV. Salvation

Salvation includes the whole man. Salvation is given to all who accept Jesus Christ as Lord and Savior. Jesus Christ by His own blood brought never-ending salvation to the believer. Salvation includes being accepted just as you are when you turn from your sin. Salvation includes being set apart for His work. Salvation includes being made to worship God. There is no salvation without personal faith in Jesus Christ as Lord.

A. Regeneration, or the new birth, is a work of God's kindness. Believers become new creatures in Christ Jesus. It is a change of heart created by the Holy Spirit. The Holy Spirit shows us our sin. The sinner begins by turning from sin and turning to God. The sinner has faith in the Lord Jesus Christ. Turning from sin and turning to God and faith are experiences of God's kindness that are never separated.

Repentance is a real turning from sin to God. Faith is the acceptance of Jesus Christ and commitment of the whole person to Him as Lord and Savior.

B. Justification is God's kind and complete pardon from sin of all sinners because of His righteousness. All sinners must turn from their sin and turn to God. All sinners must believe in Christ to receive justification. Justification brings the believer into a relationship of peace and approval with God.

C. Sanctification is the way a believer is set apart for God's purposes. Sanctification begins with new birth. The believer grows toward moral and spiritual maturity. The believer grows because of the presence and power of the Holy Spirit living in him. Growth should continue throughout the believer's life.

D. Glorification is the result of salvation. Glorification is the last blessed condition of the believer. This condition never ends for the believer as he worships God forever in heaven.

V. God's Purpose of Grace

Becoming one of God's children is the caring work of God. He accepts us just as we are. He sets us apart for His work. He wants us to be with Him and to worship Him forever. God's kind plan does not deny the free will of man. God's plan includes all the ways to accomplish this. God's plan is the great evidence of God's most excellent goodness. God's plan is very wise, holy, and cannot be changed. God's plan does not include boasting. God's plan encourages humility.

All true believers continue forever. Believers that God has accepted in Christ and set apart for His work by His Spirit will never lose their salvation. They shall continue forever. Believers may sin because of neglect and temptation. Believers grieve the Spirit because they sin. Believers damage their graces and comforts because of sin. Believers bring criticism on the cause of Christ because of sin. Believers bring worldly judgments on themselves because of sin. Even though they may sin, true believers will still be saved by the power of God through faith in Jesus Christ.

VI. The Church

A New Testament church of the Lord Jesus Christ is an independent local congregation of baptized believers. These believers are joined by shared agreement. These believers share in the same faith and fellowship of the gospel. This group of baptized believers observes the two ordinances of Christ. They are guided by His laws. They use the gifts, rights, and privileges given to them by His Word. They are trying to present the gospel to all people on the earth. Each congregation works under the Lordship of Christ by self-governing methods.

In this kind of congregation, each member is responsible and accountable to Christ as Lord. The church's scriptural officers are pastors and deacons. Both men and women are given gifts by the Holy Spirit for service in the church. The

office of pastor is limited to men that meet the qualifications found in Scripture.

The New Testament describes the church as the Body of Christ. This church includes all of the believers from throughout history. These believers come from every people group. They come from every language group. They come from all people from every country.

VII. Baptism and the Lord's Supper

Christian baptism is the immersion of a believer in water in the name of the Father, the Son, and the Holy Spirit. It is an act of obedience. Baptism is the picture of the believer's faith in a crucified, buried, and risen Savior. Baptism is a picture of the believer's death to sin, the burial of the old life, and the resurrection to walk in a new life in Christ Jesus. Baptism shows the believer's faith in the final resurrection of the dead. Baptism is required before church membership. Baptism is also required before taking the Lord's Supper.

The Lord's Supper is a picture of obedience. Church members eat the bread and drink the fruit of the vine. They remember the death of the Redeemer. They look forward to His second coming.

VIII. The Lord's Day

The first day of the week is the Lord's Day. It is a Christian custom to recognize this day regularly. On this day Christians celebrate the resurrection of Christ from the dead. This day should include worship and spiritual commitment, both public and private. Activities on the Lord's Day should agree with the Christian's sense of right and wrong under the Lordship of Jesus Christ.

IX. The Kingdom

The Kingdom of God includes His general rule over the universe. The Kingdom of God also includes His rule over men. These men of their own free will accept Him as King. The Kingdom is the area of salvation. Men receive this salvation by having trust like a child and making a commitment like a child to Jesus Christ.

Christians should pray and work so that the Kingdom of God may come. Christians should pray and work so that God's will may be done on earth. The Kingdom of God will be complete when Jesus Christ returns to earth again at the end of this time.

X. Last Things

God, in His own time and in His own way, will bring the world to its right end. In keeping with His promise, Jesus Christ will return to earth in person. He will be seen in all His greatness by all people on the earth. The dead will be raised. Christ will judge all men with honesty. The unworthy will be sent to Hell, the place of never-ending punishment. The worthy, in their resurrected and glorified bodies, will receive their reward. They will live forever in Heaven with the Lord.

XI. Evangelism and Missions

It is the job and honor of every follower of Christ and of every church of the Lord Jesus Christ to try to make disciples of the people from all nations. The new birth of man's spirit by God's Holy Spirit means the birth of love for others. Winning the lost world to faith in Jesus Christ depends on all believers. Making disciples is a Christian duty for the person who has already accepted Jesus Christ as Savior and Lord. Making disciples is clearly commanded many times in the teachings of Christ. The Lord Jesus Christ has commanded the preaching of the gospel to all nations. It is the duty of every child of God to try always to win the lost to Christ by a spoken witness. The child of God should also present a Christian way of life. The methods used to witness should be in agreement with the gospel of Christ.

XII. Education

Christianity is the faith of explanation and intelligence. In Jesus Christ are all the riches of understanding and learning. All good learning is a part of our Christian history. The new birth opens all human abilities. The new birth creates a desire for learning. The reason for education in

the Kingdom of Christ is brought together with missions and general kindness to others. These should receive the generous support of the churches. A system of Christian education is necessary for a complete spiritual program for Christ's people.

In Christian education, there should be a good balance between educational freedom and educational responsibility. Freedom in any orderly relationship of human life is always incomplete and never final. The freedom of a teacher in a Christian school, college, or seminary is controlled by the authority of Jesus Christ. The teacher is controlled by the power of the Scriptures. The teacher is controlled by the obvious purpose for which the school was started and continues.

XIII. Stewardship

God is the giver of all earthly and heavenly blessings. God is the giver of all that we have and all that we are. Christians have a spiritual responsibility to the whole world. Christians have a responsibility to share the gospel. Christians have a duty to be good managers of their possessions. They have the responsibility to serve Him with their time, talents, and material possessions. Christians should know that all of these are given to them to use for the glory of God and for helping others. The Scriptures say that Christians should give a percentage of their income cheerfully, regularly, carefully, and generously. Christians should give for the progress of the Redeemer's plan on earth.

XIV. Cooperation

Christ's people should, as time requires, plan associations and conventions that will best get cooperation for the Kingdom of God. Such organizations have no power over one another or over the churches. These organizations are voluntary. They are to make suggestions planned to get, to join, and to direct the interests of our people in the most successful way. Members of New Testament churches

should help each other to spread the missionary, educational, and kind ministries of Christ's Kingdom. This should be done together to add to Christ's Kingdom. The meaning of Christian unity in the New Testament is spiritual agreement and voluntary help by many groups of Christ's people to reach a common purpose. Cooperation is wanted between the many Christian denominations when the purpose is right. Cooperation is wanted when there is no ignoring of the sense of right and wrong. Cooperation is wanted when there is no giving up of loyalty to Christ and His Word as explained in the New Testament.

XV. The Christian and the Social Order

All Christians have a responsibility to try to make the will of Christ first in our own lives and in the world. The ways and methods used to improve society and to create righteousness among men can be very helpful. These changes are helpful only if they come because of the rebirth of the person by the saving grace of God in Jesus Christ. Just like Christ, Christians should be against racial discrimination, every form of greed, self-interest, and evil, and all forms of sexual wrongdoing, including adultery, homosexuality, and pornography. We should work to provide for orphans, the poor, the abused, the old, the weak, and the sick. We should speak for the unborn. We should insist on the holiness of all human life from its creation to natural death. Every Christian should try to bring business, government, and all people under the influence of righteousness, truth, and brotherly love. To do this Christians should be ready to work with all men of good will in any good cause. Christians should always be careful to act in love without giving up their loyalty to Christ and His truth.

XVI. Peace and War

It is the duty of Christians to try to find peace with all men. In keeping with the character and teachings of Christ, Christians should do everything they can to put an end to war.

The true solution for war is the gospel of our Lord. The first need of the world is to accept His teachings in all the actions of men and nations. The world needs to apply His law of love to everything they do. Christian people all over the world should pray for the time to come when the Prince of Peace will be in control.

XVII. Religious Liberty

God alone is Lord of what is right and wrong. Man's sense of what is right and wrong is free from the rules and commandments of men. These rules and commandments may be different from His Word. They may not be found in His Word. Church and state should be separate. The state owes protection to every church. The state owes complete freedom to every church in seeking spiritual matters. In giving this freedom, no religious group or denomination should be given any special treatment by the state. The national government was planned by God. It is the duty of Christians to give faithful obedience in all things that are not against the known will of God. The church should not expect the national government to do its work. The gospel of Christ considers only spiritual methods to reach its purposes. The state has no right to require punishment for religious beliefs of any kind. The state has no right to require taxes for the support of any form of religion. A free church in a free state is the Christian ideal. This suggests the right of free communication with God by all men. This also suggests the right to start and spread religious opinions without trouble from the government.

XVIII. The Family

God has planned the family as the first institution of the world. It is made up of persons joined to one another by marriage, blood, or adoption.

Marriage is the joining of one man and one woman with the promise of being faithful to one another for a lifetime. Marriage is God's special gift. Marriage shows the union between Christ

and His church. Marriage gives the man and the woman the way for intimate friendship. Marriage is the way of sexual expression according to the main beliefs in the Bible. Marriage is the way for increasing of the human race.

The husband and wife are of the same worth before God. Both are created in God's likeness. The marriage relationship shows the way God relates to His people. A husband is to love his wife as Christ loved the church. He has the God-given duty to provide for, to protect, and to guide his family. A wife is to submit herself with kindness to the servant leadership of her husband. A wife submits just as the church willingly submits to the leadership of Christ. She is made in the likeness of God. Her husband is also made in the likeness of God. This makes the wife and husband equals. She has the God-given duty respect her husband. She is to serve as his helper in running the household and supporting the next generation.

Children, from the moment of creation, are a blessing and inheritance from the Lord. Parents are to show to their children God's example for

marriage. Parents are to teach their children spiritual and right values. Parents are to guide their children to make choices based on truths in the Bible. Parents are to guide their children by living a life faithful to God. Parents are to guide their children with loving discipline. Children are to respect and obey their parents.

Students who have graduated from high school or earned a GED and have completed 12 credits or more of college-level course work at another institution of higher education at the time of application are considered transfer students.

Program Credit Transfer:

Northeastern Baptist College may accept up to 60 credits transferred towards a degree in the Bachelor program and up to 20 credits towards a degree in the Associate program.

Ministry Practicum:

Candidates for bachelor degrees at NEBC must complete seven semesters of Ministry Practicum. Because transfer students may not attend Northeastern Baptist College for seven semesters, they may receive credit for previously completed ministry activity by submitting a one-page paper to the Academic Dean. This paper will be of academic quality and formatted according to NEBC's writing requirements.

The ministry activity proposed for credit must include at least 36 hours of ministry time. This may include a one-week mission trip or it could

include such activities as summer camp ministry, serving as a summer missionary, or providing support for a local church during summer ministry. Transfer students will supply the name and contact information for the ministry supervisor, as the Academic Dean may choose to verify the nature and extent of the activity.

The Academic Dean will review the paper and award credit for activities deemed sufficient. The Academic Dean must receive all Ministry Practicum transfer credit papers before the graduation application deadline.

PROVISIONAL ACCEPTANCE

In exceptional circumstances, the President, in consultation with the Academic Dean, may choose to allow an undergraduate student to enroll with a provisional status. Such an admission would be handled on a case-by-case basis, but Provisional status will generally include certain constraints on the number and type of classes, as well as constant monitoring of GPA and academic progress to provide provisionally accepted students the best opportunity to succeed in their academic career. Upon satisfactory fulfillment of the conditions established for the provisional admission, the student will become eligible for regular status.

NON-DEGREE SEEKING STUDENTS

Non-degree seeking students may enroll in courses for credit by submitting an online application at www.nebcvt.org/apply. There is no application fee. PREVIEW DAYS & CAMPUS VISITS

Northeastern Baptist College hosts two Preview Days for prospective students on September 29, 2022 and April 13, 2023. These days provide an opportunity for prospective students to see firsthand what God is doing at our school, to hear from our faculty and students, and to fellowship with others who are discerning God's leading to NEBC. During the scheduled Preview Days, prospective students attend classes, tour the campus, meet with the President, and attend an informational, question-and-answer faculty panel.

If prospective students are not able to attend one of the Preview Days, they are encouraged to make other arrangements to visit Northeastern Baptist College to experience campus life in person. Contact our Admissions Office (802) 753-7233 X 620 or connect online at www.nebcvt.org to make a reservation for one of our Preview Days or for campus visit information.

NEW STUDENT ORIENTATION

All students beginning a degree program for the first time are required to attend New Student Orientation at the beginning of their first semester. The orientation schedule is communicated with accepted students in the

months leading up to the beginning of the semester. During Orientation students will register for courses, receive student identification cards, building entry fobs, mailbox assignments, and will sit for math and/or grammar reviews and assessments.

HOUSING

Students planning to live in campus housing should note that space is limited, and housing assignments are processed by the Student Services Office based on the date of acceptance to Northeastern Baptist College. NEBC's Jehovah Jireh Hall provides housing for 34 single students.

While NEBC is not currently equipped to provide housing for married students, the college expects to make it available sometime during the 2022-2023 academic year. For more information regarding NEBC's housing policies, contact the Student Services office.

TUITION AND COST

Northeastern Baptist College is dedicated to preventing financial need from hindering any student’s attendance. Therefore, upon receipt of a Pastor’s recommendation and a Church’s recommendation, students receive the Pastoral & Church scholarships which reduce tuition rates substantially beneath the national average. The College is diligently working year-round to ensure that scholarships are available and made known to students in need.

GENERAL COSTS

Tuition

Overage course fee**	\$310	PER CREDIT HOUR

*Housing cost is for double occupancy room at Jehovah Jireh Hall

**Once a full-time student reaches the 20 credit hour maximum per semester, he/she will be billed per credit hour for any additional courses in which he/she enrolls. The definition of a semester is a regular 16-week term plus a condensed term: (1) Fall and J-Term, (2) Spring and S-Term(s). Thus, if a student enrolls in 18 credit hours for fall and 3 credit hours for J-Term he/she will be billed an additional 3 credit hours, in addition to the regular annual tuition as noted above.

REFUND POLICIES

Failure to attend class does not automatically generate a withdrawal and does not entitle the student to a refund of tuition. Students must contact the Registrar to begin the withdrawal process before a refund will be considered. Students who are administratively withdrawn for poor attendance are not eligible for a refund. Students who are dismissed by NEBC for academic or disciplinary reasons are also not eligible for a refund.

When the Registrar notifies the Administration Office of a student withdrawal, the Administration will update the student’s account balance. The student account balance will reflect the student’s financial situation and determine the amount of the refund or the amount the student owns NEBC. Refunds are determined by the official date of withdrawal. Tuition and Room costs are prorated based on the designated Drop date for the semester. The refund schedule is provided in this section.

Students who are enrolled in the Work Study Program, who withdraw after the Drop date, will be charged for tuition costs that are not covered by hours worked. If a student withdraws after the Drop date, the Administration Office will calculate the tuition credit earned based on the number of hours worked, subtract it from the prorated tuition cost, and bill the student for any remaining amount. Because the Work Study Program’s tuition credit is so generous, a student who has worked more than enough hours to cover their tuition costs DOES NOT receive a credit toward other (non-tuition) charges.

Students eligible for a refund must fill out a Refund Request Form. Refund Request Forms are available in the Administration Office. Refunds will only be issued to the student will be processed within 30 business days of the request. Refunds will be mailed to the permanent home address on file in Populi unless other instructions are specified on the Refund

Request Form. NEBC retains the right to use any credit balance from tuition and room to cover other financial obligations the student has to NEBC.

Students owing money after withdrawal must contact the Administration Office, establish a payment plan, and sign a Payment Plan Agreement Form. Students with an outstanding balance will not be permitted to re-enroll. **No transcripts will be provided for students whose accounts are not in good standing.**

The Enrollment Fee is non-refundable. All other fees will be refunded 100% before classes begin, 75% after classes begin, but before the Drop date. After the Drop date, fees are not refundable.

STUDENT RESOURCES & CAMPUS LIFE

ACADEMIC ADVISEMENT

All NEBC students are assigned an academic advisor by their major area of study. Students are encouraged to meet with their advisor or the Registrar to discuss upcoming course selections prior to online registration each semester. At any time, students may request a degree audit from the Registrar to confirm course sequencing and to ensure student progress toward an anticipated completion date. It is ultimately the responsibility of the student to register for class online each semester during the open registration period and to complete the appropriate courses required for degree completion.

B.E.N.E.A.T.H. TRIPS

BENEATH stands for Believers Exploring New England's Awesome Theological History. Northeastern organizes trips for faculty, staff, and students to historic sites in New England which are of great theological significance. Outings are enhanced with faculty explanations of the site and happenings which have affected this region with the gospel. BENEATH trips encourage students to connect with New England's rich theological history and to develop a vision for the region's future. Participation in the event is voluntary, but highly encouraged.

CHAPEL SERVICES

Northeastern holds two chapel services per week with a wide range of speakers, from international missionaries to local pastors and faculty. The student-led worship during chapel provides students with valuable experience. Chapel services includes our own version of the "251 Club" where we pray for each of the 251 towns in Vermont. Chapel at NEBC is a vital part of each student's spiritual growth and development.

Students are expected to attend Chapel. Attendance is recorded by the student's RA or, for commuter students, the Director of Student Services. If students are unable to attend Chapel, they must alert the RA or Director of Student Services promptly. Excessive absenteeism will result in disciplinary action.

DISABILITIES SUPPORT

Northeastern Baptist College complies with the Americans with Disabilities Act (1990) and Section 504 of the Rehabilitation Act (1973) and therefore seeks to provide access to students with disabilities. It is the student's responsibility to voluntarily identify himself/herself as disabled to the Director of Student Life in order to receive accommodations. Upon presentation of acceptable documentation, the Director will then address the needs of each student on an individual basis. In some cases, Northeastern Baptist College may request additional medical or disability information to fully assess the circumstances. Documentation of disability is kept confidential and the Director of Student Life will maintain records related to student disability. Faculty should refer students with any accommodation requests to the Director of Student Life.

In post-secondary settings, the student is responsible to request special accommodation if desired, but faculty members have a statement on each syllabus that tells students that if they have a disability and need accommodations, to meet with the Director of Student Services so accommodations may be implemented. The Director of Student Services will work directly with the student and the student's faculty to coordinate classroom and coursework accommodations. Instructors shall accommodate all students with a disability unless such accommodation compromises the essential elements of the course, program,

service, job, activity, or facility or creates an undue hardship, as legally defined. Instructors should present any concerns to the Director of Student Services.

DRUGS, ALCOHOL, & TOBACCO POLICY

According to the Students' Standards of Conduct, students will not be permitted to use or possess drugs, marijuana, alcohol, or tobacco (including e-cigarettes, vapes, and other emulating products) while enrolled at NEBC. Students found in violation of this standard may be subject to discipline according to NEBC's discipline guidelines. Furthermore, if a student is found in violation of Vermont State law, they may be subject to legal action as well.

The Student Services office maintains information concerning drug, marijuana, alcohol, and tobacco abuse effects and has access to resources for substance abuse support and rehabilitation groups. NEBC has an amnesty policy to encourage students struggling with these issues to receive proper assistance.

FOOD SERVICE

At this time, the college does not offer a meal plan program. However, students living on campus have access to kitchens to prepare their own meals, and Bennington has several grocery stores and restaurants in close proximity to the dorm and main campus.

GRADE APPEALS

Any student who wishes to appeal a course grade and has factual evidence that the grade, as reported, is in error, should follow the Grade Appeal Procedure listed in the Academic Policies and Procedures section of this catalog.

HOMECOMING

Homecoming Week at Northeastern Baptist College is an annual fall event to celebrate what God has accomplished in and through the college. It is a gathering for worship, preaching, inspiration, and fellowship among the NEBC

community of students, families, alumni, trustees, faculty, staff, churches, pastors, and supporters from around the world.

MINISTRY PRACTICUM

Ministry practicum is an essential part of every degree offered at NEBC. It is a unique, hands-on component which connects students with local church ministries where practical experience in ministry is gained. This 1-credit course is graded by the student's Shepherd group leader and meets weekly to help students balance the *Mind of a Scholar*, the *Heart of a Shepherd*, and the *Perseverance of a Soldier* by providing group mentoring and practical experience in local church ministry. Every student participates in these small groups. Ministry experiences shared within the Shepherd group provide assessment of the students' ministry practicum fulfillment.

PERSONAL COUNSELING

Students seeking personal or professional counseling have two options to pursue. Informal counseling can be sought through advisors, shepherds, or staff in the Student Services Office. Professional counseling arrangements can be facilitated through the Student Services Office as this office maintains a list of counselors available to Northeastern Students.

RESEARCH WEEKS

Northeastern Baptist College has established two separate Research Weeks during the school year; scheduled at the midway point in the fall and spring semesters. Research Weeks provide students with focused time to engage in course-related research/writing and to participate in scholarly lectures hosted by the college each spring. Lecture topics may include current theological, academic, or ministry/practical issues. Classes are not in session during Research Weeks, but students are expected to attend lectures.

RESIDENCE LIFE

Northeastern Baptist College provides housing for students in Jehovah Jireh Hall, the college's dormitory. Staffed by the Director of Student

Services and trained student Resident Assistants, this facility provides an environment which fosters personal growth and responsibility, as students practice living in a Christian community. Jehovah Jireh Hall is conveniently located within walking distance of the NEBC Hogue Library and downtown Bennington and is on the free bus line which provides transportation to the local area. Jehovah Jireh Hall provides students a laundry facility, full-service kitchen, and common area. For more information, please see NEBC's Student Handbook.

SEXUAL HARASSMENT, ABUSE, AND ASSAULT POLICY

NEBC has a zero-tolerance policy in regard to sexual harassment, abuse, and assault. The document on page 21 of this catalog sets forth the college's policy, as well as procedures for reporting and actions that will be taken in case of a suspected violation of this policy. The policy and procedures section of the policy also sets forth the responsibilities and rights of both students and employees.

It is the intention of this policy to ensure that NEBC is a workplace and an educational entity free of sexual harassment, abuse, and assault. Both students and employees are strongly encouraged to report suspected violations of this policy. See the complete Sexual Harassment Policy and Procedures section on page 21.

SHEPHERD GROUPS

Shepherd Groups provide students with both mentorship and peer support for the purpose of personal and spiritual development.

Northeastern faculty and staff members provide guidance to small groups of no more than 12 students, mentoring them in spiritual growth, ministry experience, and personal development. Each student's Ministry Practicum is graded by the student's Shepherd Group leader. Shepherd Groups meet once a week on Wednesdays during the Chapel hour.

STUDENT GOVERNMENT

Northeastern Baptist College's Student Government provides students the opportunity to gain valuable experience in organizing and leading within the student body.

In addition to providing direction and support for students during the school year, the SGA hosts many social events throughout the year (New Student Picnic, Student Thanksgiving Dinner, campus-wide Christmas party, Spirit Week and several other events). The SGA holds open meetings, Town Hall events for students to attend, and is a member of the American Student Government Association.

STUDENT RIGHTS & RESPONSIBILITIES

Once a student signs the Student Standards of Conduct and appropriate enrollment documents, the student is under contract with Northeastern Baptist College. Joining the Northeastern Baptist College student community entails certain rights as well as specific responsibilities with the goal of emulating Christ.

Student Rights: The NEBC student has rights including, but not limited to:

- The right to have access to, and knowledge of the policies to which they are accountable.
- The right to air student grievances, equal opportunity, due process, and appeal as detailed under the Policies and Procedures in the Student Discipline sections of the Student Handbook.
- The right to confidentiality of student records in accordance with FERPA/1974, as well as the right of the student to access these records as detailed under the Records section of the Academic Catalog.

Student Responsibilities: The NEBC student also has responsibilities including, but not limited to:

- The responsibility to act in a manner consistent with the values of NEBC and the Christian faith, while also obeying all local, state, and federal laws.
- The responsibility to treat others and the property of others with respect.

The program covers tuition costs, but does not include payments for room, books, or other student fees.

The Director of the program works with students and staff to determine placement within the needs of the college. Students receive orientation and training for assigned work positions. Students must maintain a good academic standing to retain their position in the program. More information about the program can be found at

<https://nebcvt.org/admissions/financial-aid/work-study-program/>

SEXUAL HARASSMENT, ABUSE, AND ASSAULT PROCEDURES

The college shall not tolerate any form of sexual harassment, abuse, or assault among faculty, staff, or students. In other words, NEBC has a zero-tolerance policy in regard to sexual harassment, abuse, and assault. This document sets forth the college's policy as well as procedures for reporting and action that will be taken in case of suspected violation of this policy. This document also sets forth the responsibilities and rights of both students and employees. It is the intention of this policy to ensure that NEBC is a workplace and an educational entity free of sexual harassment, abuse, and assault. Both students and employees are strongly encouraged to report suspected violations of this policy.

Employee Policy - Sexual Harassment, Abuse, and Assault in the workplace are unlawful in the State of Vermont. Further, it is unlawful to retaliate against an employee for filing a complaint of sexual harassment or cooperating in an investigation into charges of sexual harassment. In the State of Vermont sexual harassment in the workplace is defined as follows: Sexual harassment is a form of sex discrimination and means unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when:

- submission to that conduct is made either explicitly or implicitly a term or condition of employment;
- submission to or rejection of such conduct by an individual is used as a component of the basis for employment decisions affecting that individual; or
- the conduct has the purpose or effect of substantially interfering with an individual's work performance or creating an intimidating, hostile, or offensive working environment.

In addition to the above definitions, Vermont Law recognizes, but is not limited to the following examples of sexual harassment which

include, but are not limited to the following, when such acts or behavior come within one of the above definitions:

- either explicitly or implicitly conditioning any term of employment (e.g. continued employment, wages, evaluation, advancement, assigned duties or shifts) on the provision of sexual favors;
- touching or grabbing a sexual part of an employee's body;
- touching or grabbing any part of an employee's body after that person has indicated, or it is known, that such physical contact was unwelcome;
- continuing to ask an employee to socialize on or off-duty when that person has indicated s/he is not interested;
- displaying or transmitting sexually suggestive pictures, objects, cartoons, or posters if it is known or should be known that the behavior is unwelcome;
- continuing to write sexually suggestive notes or letters if it is known or should be known that the person does not welcome such behavior;
- referring to or calling a person a sexualized name if it is known or should be known that the person does not welcome such behavior;
- regularly telling sexual jokes or using sexually vulgar or explicit language in the presence of a person if it is known or should be known that the person does not welcome such behavior;
- retaliation of any kind for having filed or supported a complaint of sexual harassment (e.g. ostracizing the person, pressuring the person to drop or not support the complaint, adversely altering that person's duties or work environment, etc.);
- derogatory or provoking remarks about or relating to an employee's sex;
- harassing acts or behavior directed against a person on the basis of his or her sex;
- off-duty conduct which falls within the above definition and affects the work environment.

An employee should recognize that any and/or all of the following consequences may be

expected for violating NEBC's zero tolerance policy:

- reprimand,
- probation,
- required counseling,
- suspension,
- failure to offer future contracts, and/or
- termination.

In addition, an employee may not receive an offer of future contracts, or be terminated if there is cause to believe that an employee may retaliate against others for making complaints of sexual harassment and/or cooperating with an investigation of sexual harassment. Further, it should be understood NEBC will report any findings of sexual harassment, abuse, or assault to the proper authorities immediately.

Student Policy - While the above policy is required by Vermont Law in regard to employees within a workplace environment, NEBC adopts the same policy for student-to-student relationships. We are a Christian institution and will maintain a zero-tolerance policy for sexual harassment, abuse, and assault among our student body.

Faculty/Staff-Student Policy - The student-professor and student-college staff relationships in a Christian institution must be maintained with professionalism, integrity, and holiness. Considering the Biblical instructions concerning teacher and mentor responsibilities and accountability to our Lord Jesus Christ, NEBC expects all faculty and staff to be extra careful in relating to students. The Apostle Paul's admonition to Timothy sets a high standard of expectation. "Do not rebuke an older man, but exhort him as a father, younger men as brothers, older women as mothers, younger women as sisters, with all purity." (1 Timothy 5:1-2) Therefore, the entirety of the above policy applies to these relationships, and should be guarded carefully.

Employee Procedures - Considering our Christian witness, NEBC's zero-tolerance policy, and the

fact that sexual assault, abuse, and harassment are unlawful in the state of Vermont; all violations of the above policy should be reported immediately. The suspected violation should be reported in writing. Copies of the report should be given to the employee's immediate supervisor, the Vice President of Administration, and the President. The report may be hand delivered or mailed via US Mail to the following:

Employee's Immediate Supervisor, NEBC
PO BOX 4600
Bennington, VT 05201

Each of the listed persons may also be reached by telephone at 802-753-7233. If the suspected violation involves one of the above persons, the report should be made only to the other two. Upon receipt of a suspected violation of the above policy, the President, Academic Dean, and one other person, appointed by the President will conduct a preliminary investigation into the report. The results of the preliminary investigation will be placed in written form and include: the scope of the preliminary investigation, the findings, and any action taken. The preliminary report will be placed in the employee's file, and shared with the officers of the Board of Trustees. Possible findings and potential action of the preliminary investigation include:

1. If no indication of the suspected violation is found, the employee under investigation will be notified and encouraged to be careful to avoid even the appearance of violation in the future.
2. If clear evidence of violation is discovered the employee may be reprimanded, placed on probation, required to seek counseling,

suspended, receive notice of intent to not offer future contracts, and/or be terminated immediately. If there is clear evidence that state or federal law has been violated, it will be reported to the proper authorities immediately. NEBC will cooperate with law enforcement in any investigation process they deem necessary.

3. If there is indication of possible violation but it is determined a full internal investigation is needed, the President, in consultation with the Board Officers, will appoint an Investigation Team. If a Full Investigation is called for, the President may suspend the employee in question, pending the completion of the Full Investigation. If at any time during the Full Investigation the Investigation Team finds evidence of a violation of state or federal law, it will be reported immediately to the appropriate authorities, and then reported in writing to the Vice President of Administration, the President, and the Board Officers. The final report of the Investigation Team will be reported in writing. A copy of the final report with findings and recommended action may include:

A. A finding of no evidence of the suspected violation of the policy and no indication that the employee may retaliate against complainants, and/or those who cooperated with the investigation. The Investigation Team may recommend full reinstatement of service, reinstatement of service with probation, and/or reinstatement of service with counseling.

B. A finding of no evidence of suspected violation, but an assessment indicating the likelihood the employee will retaliate against one or more of the complainants, and/or those who cooperated with the investigation. In this case the Investigation Team may recommend further counseling, probation, that future contracts not be offered, or that the employee be terminated. The final decision on this recommendation rests with the President in consultation with the Board Officers.

C. A finding of evidence that the above policy was indeed violated. If federal or state law was violated the report should indicate the discovery

of the violation of law, the date, time, law enforcement agency, as well as the name and contact information for the law enforcement officer who was notified of the breach of law. The report should also include one of the following recommendations:

- i. Probation and/or Suspension with Counseling
- ii. Terminal Leave until the end of current contract term, with no future contract offer.
- iii. Immediate Termination

A copy of the final report will be given to the employee under investigation, the Vice President of Administration, the President, the Board Officers, and a copy will be placed in the employee's file. Upon receipt of the final report, the President, in consultation with the Board Officers, will act on the recommendation. The decision of the President, in consultation with the Board Officers, will be considered the final action of the college on the matter.

The results of the preliminary investigation will be placed in written form and include: the scope of the preliminary investigation, the findings, and any action taken. The preliminary report will be placed in the student and/or employee file of the person(s) involved. The report will also be shared with the officers of the Board of Trustees. Possible findings and potential action of the preliminary investigation include:

1.If no indication of the suspected violation is found, the student and/or employee under investigation will be notified and encouraged to be careful to avoid even the appearance of violation in the future.

2.If clear evidence of violation is discovered the student and/or employee may be reprimanded, placed on probation, required to seek counseling, suspended, or expelled. ACADEMIC POLICIES AND PROCEDURES

ACADEMIC ADVISEMENT

All NEBC students are assigned an academic advisor by their major area of study. Students are encouraged to meet with their advisor or the Registrar to discuss upcoming course selections prior to online registration each semester. At any time, students may request a degree audit from the Registrar to confirm course sequencing and to ensure student progress toward an anticipated completion date. It is ultimately the responsibility of the student to register for class online each semester during the open registration period and to complete the appropriate courses required for degree completion.

ACADEMIC DISCIPLINE

WARNING: Semester GPA below 2.0

Any student who does not achieve a semester GPA of 2.0 for a given semester will receive an Academic Warning.

PROBATION: Cumulative GPA below 2.0

Any student with 30 or more attempted credits whose cumulative GPA falls below a 2.0 will be placed on Academic Probation. The student will not be permitted to take more than 12 hours in subsequent semesters until his/her cumulative GPA rises to or above 2.0. To enroll for courses, an Academic Probation Contract must be completed and signed by his Academic Advisor, the Academic Dean and submitted to the Registrar. Academic Probation will be noted on the student's transcript.

SUSPENSION:

Cumulative & Semester GPA below 2.0

Any student whose semester GPA falls below 2.0 for the semester following Academic Probation, will be placed on Academic Suspension. The student must withdraw from enrollment for one semester. After the semester of suspension, the

student may re-enroll on Academic Probation status and must submit a signed Probation Contract to the Registrar, limiting the student to 12 hours. Academic Suspension will be noted on the student's transcript.

ACADEMIC HONORS

Every semester, Northeastern Baptist College recognizes students whose academic efforts have produced excellent grade point averages. Students are recognized during the second Chapel of the subsequent semester.

- President's List: **3.85 – 4.2**
- Dean's List with Distinction: **3.6 – 3.84**
- Dean's List: **3.5 – 3.59**

ACADEMIC INTEGRITY AND PLAGIARISM

Cheating is a type of deception that takes many forms, such as copying from another person's quiz or exam; the use of unauthorized notes, previous exams, books, or other materials; the submission of another's work to fulfill a course requirement; the unauthorized use of work completed for one course in another; or the reporting of material as read that was not read.

Plagiarism is a serious offense that is illegal, unethical, and immoral. Plagiarism exists when one gives the impression that another person's words or ideas (written or oral) are their own. This can occur intentionally or unintentionally. Examples include the use of quotations without identification by quotation marks and citation or paraphrasing the words or ideas of another without giving credit (unless describing common knowledge). Plagiarism is not only poor academic practice but also demonstrates a disregard for the work of others.

A student who breaks the standard of academic integrity by cheating or plagiarism will be

confronted by the faculty member involved and will be reported to the Dean of Students and Academic Dean. The result will be a “zero” grade for that particular assignment, which may result in an “F” for the course (e.g. depending on the normal weight of that particular assignment, as articulated on the syllabus, the student may fail the course). It may also lead to expulsion from the institution, or a revocation of a degree already granted by NEBC.

ACADEMIC REGULATIONS

The Vice President/Academic Dean administers the academic policies and procedures of NEBC. These academic regulations are established by the Dean in consultation with the Faculty and President, under the authority of the Board of Trustees. NEBC reserves the right to change academic policies and requirements as needed. Questions concerning the current status of all academic matters should be addressed to the Vice President/Academic Dean.

The information in this catalog applies to the academic year 2022-2023 only. NEBC reserves the right, in its sole discretion, to review, modify, amend, alter, rescind, abolish, or delete any provision of this catalog or of any other catalogs, policies, publications, or statements of the college. This right includes, without limitation, admission or graduation standards, degree requirements, and accreditation of academic programs. This catalog is not a contract, real or implied; it is for informational purposes only. The most current version is always online at www.nebcvt.org.

Students may take advantage of any improvements that appear in later catalogs while they are enrolled. A student who withdraws from enrollment for more than one academic year may be required to re-enter under the catalog current at the time of readmission.

ADD, DROP, AND WITHDRAW FROM COURSES

To add, drop, or withdraw from a course, students must submit an ADD/DROP/WITHDRAW form to the Registrar prior to the deadlines below.

ADD deadline: The first business day of the second week of the academic semester.

- Fall semester – August 29, 2022
- Spring semester - January 23, 2023

DROP deadline: The first business day of the fourth week of the academic semester.

- Fall semester - September 12, 2022
- Spring semester - February 6, 2023

WITHDRAW deadline: Four weeks prior to the last day of class during the academic semester. Withdrawals are permitted only when a student has a passing grade in the course.

- Fall semester - November 11, 2022
- Spring semester – April 7, 2023

If a student desires to drop a course after the drop deadline, he/she can withdraw from the course on a pass basis until the withdrawal deadline. Withdrawing on a failing basis is not allowed; however, an appeal may be made to the Academic Dean under extreme situations.

CLASS ATTENDANCE

Regular class attendance is expected at Northeastern Baptist College. Professors are responsible for their individual attendance policies; however, professors are at liberty to assign a failing grade to any student who is absent from 15% or more of scheduled class meetings, regardless of the student’s assignment and/or examination grades.

COMPUTER USE AND CONDUCT

Email is a vital communication tool for faculty, staff, and students at Northeastern Baptist College. Each student must provide a valid email address during the initial registration process

and is required to verify or update the email address at the time of registration each term. The email address given to each student during New Student Orientation will be used for all official communication from NEBC, including professors' course communications.

Electronic device usage in the classroom is based solely upon the professor's preference. While using a device during class, students are expected to conduct themselves appropriately and in accordance with the Statement of Faith and student handbook, which they have signed. Any inappropriate conduct, language, or general misuse on computers will be reported to the Dean of Students for evaluation and possible disciplinary action.

CONCURRENT ENROLLMENT

Students concurrently enrolled in Northeastern Baptist College and another institution of higher education must follow NEBC concurrent enrollment guidelines. Students may not take more than 22 credit hours per semester from NEBC and not more than 24 credit hours combined.

CREDIT HOUR DEFINITION

Northeastern Baptist College defines one-credit hour as a unit of academic work consisting of fifty (50) minutes of classroom instruction (or periods of laboratory work, internships, or practicum), plus two hours of outside study in support of classroom instruction (reading, review, assignment work, etc.) per week, throughout the semester. Thus:

- **One-credit hour** consists of 50 minutes of classroom instruction (lab work, internship, or practicum), plus 120 minutes of outside study in support of classroom instruction per week, throughout the semester.
- **Three-credit hours** consists of 150 minutes (one period of 150 minutes, two periods of 75 minutes, or three periods of 50 minutes) of classroom instruction (lab work,

internship, or practicum), plus 360 minutes of outside study in support of classroom instruction per week,, throughout the semester.

As most courses at NEBC are 3-credit hours, students should expect to spend 150 minutes in class and six hours of outside study in support of classroom instruction per week for each course undertaken for credit.

GENDER ENROLLMENT POLICY

Northeastern Baptist College exists to train men and women to have the *Mind of a Scholar, Heart of a Shepherd, and Perseverance of a Soldier*. Regarding theological and biblical training, Scripture provides clear, delineated roles between men and women within the ecclesiastical setting.

As an institution who trains men and women for service in ministry, Northeastern Baptist College firmly adheres to theological and biblical precepts regarding the doctrine of the Church. The Baptist Faith and Message 2000 is the guiding doctrinal statement for the College, and therefore we agree with the statement that the office of the pastor is limited to qualified men. It is because of this guiding principle, NEBC admits only male students for degrees in Pastoral Ministry and Church Planting.

GRADE APPEAL PROCEDURE

Students may seek an appeal to a course grade which is believed to be in error. The student must have factual evidence that the grade was reported incorrectly and must following these steps:

1. A written appeal, including rationale and evidence, must be submitted to the instructor within 30 days from the beginning of the subsequent semester. The instructor will have 10 days to respond in writing to the written appeal.

2. If the student is not satisfied with the instructor's response, the student can appeal in writing to the Department Chair within 10 days of the instructor's response. The Department Chair will have 10 days to respond in writing to the appeal.
3. If the student is not satisfied with the Department Chair's response, the student can appeal in writing to the Vice President/Academic Dean within 10 days of the Department Chair's response. The Dean of Academics will have 10 days to respond in writing to the appeal.
4. If the student is not satisfied with the Vice President/Academic Dean's response, the student can appeal in writing to the President and his Cabinet within 10 days of the Dean's response.
5. The recommendation of the President and his Cabinet will be forwarded in writing, along with all previous documentation, back to the Vice President/Academic Dean. In consideration of the President's recommendation, the Academic Dean's decision will be considered final.

If circumstances prevent an otherwise competent student from completing the requirements of a course by the end of the class schedule, the instructor may assign the letter I. The student must complete the work of that course as quickly as possible and must do so by the end of the fourth week following the end of the course. If the grades on incomplete work have not been submitted to the Registrar by six weeks after the end of the course, the Registrar will enter the grade of F. Exceptions may apply.

When a student retakes a course, the higher grade will be used to calculate GPA, though both grades will be noted on the student's transcript.

GRADUATION

Northeastern Baptist College celebrates the perseverance and excellence of its students and their accomplishments each spring at our annual Commencement celebration. It is the student's responsibility to be aware of all deadlines and procedures to qualify for graduation. Students are encouraged to see the Registrar for a graduation check and degree audit at the conclusion of their junior year. This will allow the student two full semesters to complete courses required for graduation in a specific degree program.

Qualifications for Graduation

1. Minimum cumulative grade point average of 2.0.
2. Minimum major department grade point average of 2.6.
3. Completion of all academic degree requirements; credit hours and prescribed courses.
4. Graduation application must be submitted to the Registrar's office no later than February 17, 2022 to participate in the May 13, 2022 commencement service. Any transcript corrections (including grades, transfer

credits, advanced standing credits, etc.) must be completed by this time.

5. Sit for the Senior Oral Examination. During a bachelor student's final semester, he/she will undergo a comprehensive oral examination (April 19-21, 2022). (Associate students do not sit for Oral Exams.) A faculty committee will evaluate the student's doctrinal stance and comprehensive academic achievement within the student's specific area of study. Students who demonstrate an adequate grasp of the material studied will be approved for graduation. If a student's doctrinal stance is not consistent with the doctrinal position of the college, he/she will be allowed to graduate but will not receive a recommendation from the college for Christian ministry. The President and/or Senior Vice President/Academic Dean may sit on any oral committee, as they determine.
6. Compete and submit a Graduation Clearance form to the Registrar by April 28, 2022. This form involves clearances from the President's office, Student Life, Library services, Business office, and the Registrar.

Graduate in Absentia: Students are required to be present at graduation exercises. A student is excused from attendance only by written permission of the Academic Dean. Written requests specifying the unusual circumstances leading to such a request must be submitted by the student no later than three weeks prior to the date on which he or she is scheduled to graduate.

INCLEMENT WEATHER OR CAMPUS EMERGENCIES

In the event of inclement weather or emergency, the student body will be notified via the Populi messaging system and/or through local media. Students will refer to the Delayed Class Schedule available on Populi and posted on campus. If the school is facing any immediate threat or danger, students will be fully informed in a timely fashion concerning any issues of which they need to be made aware.

LEAVE OF ABSENCE

During times of crisis or unforeseen circumstances, students may choose to take a leave of absence and not register for class for one or two semester(s). Students may have their admission status maintained for two regular semesters upon submission of the Leave of Absence form to the Registrar. Such students are free to register for classes during the open registration period as usual during that time. Students choosing to extend a Leave of Absence beyond two semesters will be required to submit a Re-enrollment Form for approval in order to register for classes. A Leave of Absence extended beyond two years will require a student to reapply to the college.

MINISTRY PRACTICUM

Ministry practicum is a vital part of every degree program at NEBC. It is a unique, hands-on component which connects students with a local church where they gain practical experience in ministry. This 1-credit course is graded by the student's Shepherd group leader and meets weekly to help students balance the *Mind of a Scholar*, the *Heart of a Shepherd*, and the *Perseverance of a Solider* by providing group mentoring and practical experience in local church ministry. Every student participates in these small groups. Ministry experiences shared within the Shepherd group provide assessment of the students' ministry practicum fulfillment.

Transfer Students & Ministry Practicum

Candidates for bachelor's degrees at NEBC must complete seven semesters of Ministry Practicum. However, since Transfer students may not attend Northeastern Baptist College for seven semesters, they can apply to receive credit for previously completed ministry activity by submitting a one-page paper summarizing the ministry activity for credit to the Academic Dean.

The request for Ministry Practicum credit requires a one-page paper of academic quality and formatted according to NEBC's writing

requirements. Transfer students will supply the name and contact information for the ministry supervisor, as the Academic Dean may choose to verify the nature and extent of the activity.

The ministry activity proposed for credit must include at least 36 hours of ministry time. This may include a one-week mission trip or it could include such activities as summer camp ministry, serving as a summer missionary, or providing support for a local church during summer ministry. The Academic Dean will review the petition and award credit for activities deemed sufficient. The Academic Dean must receive any Ministry Practicum transfer credit papers before the graduation application deadline.

RECORDS

NEBC has established and is committed to specific guidelines for maintaining the confidentiality of student educational records in keeping with the Family Educational Rights and Privacy Act of 1974. FERPA generally bars colleges from releasing any educational records that include "personally identifiable information" without the student's consent. Students' educational records, including transcripts, enrollment records, and academic plans, are not disclosed to anyone other than Northeastern Baptist College's personnel except in accordance with the written consent of the student and specific FERPA exceptions. Students submit a signed consent form annually with the Registrar's office indicating parental accessibility to the student's records.

Northeastern Baptist College personnel are allowed under the authority of the Vice President of Academics to access student records on a need-to-know basis for honors evaluation, routine processing, academic concerns, and to fulfill necessary administrative tasks. Student records are otherwise held in confidence.

Permanent academic records for each student consists of the following:

- Completed application for admission
- Early Scholars file, if applicable
- Transcripts from all institutions attended
- Final college transcript (showing degree received and the date awarded)
- Graduation application with the final degree check
- Original church recommendation and references for admission
- Copies of any correspondence regarding disciplinary issues and the student's written response(s), if any. U.S. Courts have ruled that disciplinary files qualify as "educational records" under FERPA.
- Any other information deemed pertinent to a student's academic history

A student has the right, with the Registrar present, to view his or her permanent file, but is not allowed to alter the content in any way except by the addition of written and signed correctives. Failure to provide truthful and/or accurate information on applications, church certifications, or on other permanent records provided by the student may be grounds for dismissal.

The student has the right to request privacy of directory information. Directory information published by NEBC is in the public domain. Students may request that the school not disclose directory information about them. This may be done by written request to the Registrar.

RE-ENROLLMENT

Students seeking re-enrollment to Northeastern Baptist College after a period greater than two semesters of withdrawal are required to complete the college's re-enrollment form and communicate with the registrar his/her reason for non-continuation at NEBC and for his/her reason for seeking re-enrollment. Upon submission of the re-enrollment form, the request will be considered for approval by the Dean of Students, Registrar, Academic Dean, and President. Students will be notified regarding approval/rejection of re-enrollment

request in writing within 30 days of the form's submission.

Within two semesters of withdrawal – Students will have their admission status maintained and may register for classes during the regular registration period.

One year after withdrawal – Students must submit an approved Re-enrollment Form to the Registrar's office in order to enroll in courses. Those students who have been withdrawn for more than one year may be required to re-enter under the catalog in effect at the time of re-entry.

Two years after withdrawal - Students are required to reapply through the Admissions Office.

REGISTRATION

Each semester during the registration period, students can meet with academic advisors or the Registrar to review needed courses for the next term. Students are responsible to register for classes online each semester. In Populi, under the student tab, the degree audit can help students track course requirements for completing their degree. It is the responsibility of the student to track his or her progress toward graduation.

REVOCATION OF DEGREE

Northeastern Baptist College, by conferring a degree, does not provide a lifetime certification of the good character of the graduate, nor does it guarantee the orthodoxy or spiritual commitments of the graduate. Those who employ any graduate of the institution should conduct interviews and determine if the graduate fits the expectations of the employer.

If it should be discovered after graduation that the student misrepresented personal data on application forms on which admission was improperly based, or if it is found that the student cheated on exams, received transcript

credit for courses not actually taken or completed, committed plagiarism in academic papers, or otherwise engaged in academic fraud or other behavior that would have led to expulsion if known at the time, the student may have his or her degree revoked. The academic transcript will note any such revocation from the date of official action. A degree may also be revoked if it is discovered that a diploma was issued in error.

If the student believes the revocation is based on erroneous information or is unjust and appeals the ruling to the Registrar, the case will be reviewed by the Executive Staff. The student would have the right to a hearing and may provide further information to resolve the issue. The decision of the Academic Dean, if it is further disputed by the student, may be reviewed by the President using a procedure appropriate to the case. Unless overturned by the President, the Deans' decision is final.

SEMESTER COURSE LOAD

The full-time undergraduate academic course load at Northeastern Baptist College is 12–18 hours per semester. Students must receive prior approval from his/her Advisor, the Registrar, and the Academic Dean to take more than 18 hours in a semester. Students are not allowed to take more than 21 hours in a semester. Extra fees apply for semesters exceeding 18 credit hours.
